 - (a) the Customer may serve written notice to terminate a Statement of Work within no less than 30 days at any time after the end of the original Service Term or at any time during a Further Term of a Statement of Work; unless
 - (b) not less than 60 days before the end of the Service Term or a current Further Term of a Statement of Work, Interactive had sent a written notice to the Customer reminding them of the upcoming renewal.

2 Services

- 2.1 Prior to the Service Start Date:
 - (a) The Customer will be required to:
 - (i) create an environment for the Product to be installed and install the Product into the environment. Interactive will provide installation instructions and assist the Customer if required.
 - (ii) provide Interactive with:
 - A. confirmation of the serial numbers of the Equipment;
 - B. confirmation of the Location of the Equipment;
 - C. assistance to configure the Equipment to enable the email Alerts to be generated; and
 - D. the name, contact number and email addresses of the Customer nominated personnel who will receive email Alerts from the Service Desk.
 - (iii) Interactive will configure the Customer's Equipment listed in the Equipment List that is to be monitored by the Product to enable email Alerts to be issued to the Interactive Service Desk on a 24 x 7 basis when there is an Incident.

- 2.2 From the Service Start Date Interactive will:
- (a) contact the nominated Customer personnel to advise them of the Incident when an Alert is received by the Service Desk via the Product; and
 - (b) perform the Systems Maintenance Services during the Principal Hours if the Customer requests Interactive perform Systems Maintenance Services for the affected Equipment.
- 2.3 The Customer must provide Interactive with no less than 3 Business Days' written notice of any scheduled maintenance being conducted at a Location that would have the potential to create an Alert.
- 2.4 The OnAlert Service utilises the Third Party Software Vendor's Product. The Customer acknowledges and accepts that the Third Party Software Vendor may request usage reports and or audit Interactive's use of the Product installed at the Location. The Customer agrees to, if requested, and not more than once a year:
- (a) deliver to Interactive usage reports within 20 days of request. The Customer consents to the usage reports being distributed to the Third Party Software Vendor; and
 - (b) upon at least 8 days prior written notice, allow the Third Party Software Vendor to audit the relevant Location to ensure compliance with this Agreement. The Customer agrees to cooperate with such audit and to provide reasonable access to its information and systems during normal business hours.
- 2.5 Interactive grants the Customer limited access to, and use of, the Product subject to the following restrictions:
- (a) The Customer must only use the Product to receive the OnAlert Services from Interactive. The Customer acknowledges that it does not receive a transfer of any licence to the Product.
 - (b) Installation of the Product must be done securely and reasonably sufficiently to prevent the copying of, access to or use of the Product by any unauthorised third party.
 - (c) At the termination of the Statement of Work for the On Alert Services, the Customer must immediately de-install the Product, destroy the media and all documentation associated with the Product, and if requested by Interactive, certify its destruction in writing.
 - (d) The Customer acknowledges and accepts that the following restrictions apply with respect to Intellectual Property rights of the Third Party Software Vendor:
 - (i) The Third Party Software Vendor retains all right, title and interest to the Product, all related Intellectual Property and proprietary rights. The Product and all third party software provided with the Product are protected by applicable copyright, trade secret, industrial and other Intellectual Property laws.
 - (ii) The Product is protected by United States Copyright law and applicable international copyright treaties;
 - (iii) The Customer may not claim or assert title to or ownership of the Product (or modifications thereto) or remove or alter any copyright or any proprietary notice from copies of the Product.
 - (iv) The Customer may not copy, de-compile, disassemble, reverse engineer or attempt to derive the Products source code from object code, except to the extent permitted by applicable law despite this limitation;
 - (v) The Customer must not distribute, sell, rent, lease licence, sublicense, modify, time share, outsource, otherwise use or transfer the products to any third party;
 - (vi) The Customer will use reasonable care and protection to prevent the unauthorised use, copying publication or dissemination of the Product;
 - (vii) The Customer must not modify, delete or remove any ownership, title, trademark, patent or copyright notices from any Product, or copy or partial copy of a Product;

- (viii) The Customer may not export or re-export the Product without both the written consent of Interactive and or the Third Party Software Vendor (as applicable) and the appropriate United States and/or foreign government licence; and
- (ix) The Customer may not use any software, library, utility, tool, or other computer or program code with the Product that in any way that would (i) weaken the Third Party Software Vendors Intellectual Property rights in the Product, or (ii) require the Product to become or be disclosed or distributed as open source software.
- (e) The Customer must not use the Product in an outsourcing or service bureau environment on behalf of non-Affiliate third parties, or allow the products to be used by an outsourcing or service bureau provider on the Customer's behalf (without obtaining prior written approval from Interactive). For the purposes of this clause an Affiliate is an entity that controls, is controlled by or shares common control with the Third Party Software Vendor or Interactive, where such control arises from the legal power to direct or cause the direction of the general management and policies of the company, partnership or legal entity.
- (f) Except for guarantees that cannot be excluded by Law, Interactive otherwise gives no warranties or guarantees that the operation of the Product will be uninterrupted or error free, meet the Customer's requirements, or operate with the combination of hardware and software the Customer intends to use, or will be fit for a particular purpose, merchantable or non-infringing, or that all defects can be corrected.
- (g) The Customer acknowledges that the Product and any third party software provided with the Product is Confidential Information.
- (h) The Product may generate reports to assess the server inventory and dependency mapping of the operating environment of the systems it is deployed on, or similar outputs (the "Outputs"). If the Product does generate Outputs, the Customer agrees and acknowledges that Interactive owns the Outputs.
- (i) The Products may contain hyperlinks to websites not controlled by the Third Party Software Vendor or Interactive. Neither the Third Party Software Vendor nor Interactive is responsible for and does not endorse the content or accept any responsibility for the Customer's use of the websites.
- (j) The Customer agrees and acknowledges that Interactive is not liable for any failure of the Product (including if the Product is unavailable), or for any failure to provide Services, to the extent the failure is caused or contributed to by the Product or Third Party Software Vendor.

3 Customer Obligations

3.1 The Customer shall:
